**A. Contract Term**

This Contract is effective and legally binding as of the Effective Date and, unless terminated as provided for in this section, shall continue to be effective and legally binding for a period of one (1) year. VITA, at its sole discretion, may extend this Contract for up to four (4) additional one (1) year periods after the expiration of the initial one (1) year period. VITA will issue a written notification to the Supplier stating the extension period, not less than thirty (30) days prior to the expiration of any current term. Warranty on or Maintenance Services for any Product ordered during the term of the Contract may extend beyond the term of this Contract. In addition, the Rental Term for a unit of Product may extend beyond the term of this Contract. Expiration of the term of the Contract shall not affect any perpetual license granted hereunder.

**B. Termination for Convenience**

VITA may terminate this Contract, in whole or in part, or any order issued hereunder, in whole or in part, or an Authorized User may terminate for convenience an order, in whole or in part, upon not less than thirty (30) days prior written notice at any time for any reason ("Termination for Convenience"). In addition, VITA may immediately terminate this Contract, in whole or in part, or any order issued hereunder, if Supplier becomes a party excluded from Federal Procurement and Nonprocurement Programs. VITA shall provide written notice to Supplier of such termination, and Supplier shall provide written notice to VITA if federal debarment proceedings are instituted

against Supplier. Supplier shall submit any contractual or order dispute to VITA or the terminating Authorized User for resolution according to the terms of the Dispute Resolution Section of this Contract. Upon termination, neither the Commonwealth, nor VITA, nor any Authorized User shall have any future liability except for (i) Services rendered by Supplier prior to the termination date, (ii) for Product ordered for purchase or delivered by Supplier pursuant to an order for Maintenance Services, Product accepted by the Authorized User prior to the termination date, and (iii) for rented Product, rental fees in accordance with the Termination of Rental Orders section. Return of any rented Product or unused supplies shall be at the Authorized User's expense, unless termination is due to Supplier's status as a party excluded from Federal Procurement and Non-procurement Programs in which case return of such Product or supplies shall be at Supplier's expense. Termination of this Contract or any order shall not affect any perpetual license granted pursuant to this Contract, provided all fees for such license have been paid.

**C. Termination for Breach or Default**

VITA shall have the right to terminate this Contract, in whole or in part, or any order issued hereunder, in whole or in part, or an Authorized User may terminate an order, in whole or in part, for breach and/or default of Supplier ("Termination for Breach" or "Termination for Default"). Supplier shall be deemed in breach and/or default in the event that Supplier fails to meet any material obligation set forth in this Contract or in any order issued hereunder.

If VITA or an Authorized User deems the Supplier to be in breach and/or default, VITA or the Authorized User shall issue a "Show Cause Notice" identifying the failure/non-performance and providing Supplier thirty (30) days to cure the failure/nonperformance. If Supplier fails to answer the Show Cause Notice, or does not correct the deficiencies noted, VITA may immediately terminate this Contract or any order issued hereunder, in whole or in part, or the Authorized User may immediately terminate its order, in whole or in part. Such termination shall be deemed a Termination for Breach or a Termination for Default. In addition, if Supplier is found by a court of competent jurisdiction to be in violation of or to have violated 31 USC 1352, VITA may immediately terminate this Contract, in whole or in part, for breach. VITA shall provide written notice to Supplier of such termination, and Supplier shall provide written notice to VITA if Supplier is charged with violation of 31 USC 1352.

Upon Termination for Breach or Termination for Default, neither the Commonwealth, nor VITA, nor any Authorized User shall have any future liability except for (i) Services rendered by Supplier and accepted by the Authorized User prior to the termination date, (ii) for Product ordered for purchase or delivered by Supplier pursuant to an order for Maintenance Services, Product delivered by Supplier and accepted by the Authorized User prior to the termination date, and (iii) for rented Product, rental fees through the termination date or the last month in which performance of the rented Product was accepted by the Authorized User, whichever is earlier. Supplier shall accept return of any Product ordered for purchase or delivered by Supplier pursuant to an order for Maintenance Services that was not accepted by the Authorized User(s) and any Product rented by the Authorized User(s), and Supplier shall refund any monies paid for such Product purchased or Product delivered by Supplier pursuant to an order for Maintenance Services and any advance payment for such rented Product. All costs of de-installation and return of Product shall be borne by Supplier.

The failure of VITA or an Authorized User to exercise its right to terminate for breach and/or default under this provision shall not be construed as a waiver of its right to terminate for breach and/or default, rescind or revoke this Contract or any order issued hereunder in the event of any subsequent breach and/or default of any provisions of such agreements.

Supplier shall submit any contractual dispute or order dispute to VITA or the terminating Authorized User for resolution according to the terms of the Dispute Resolution Section.

The terms of the Termination for Convenience and Termination for Breach or Default Sections shall not apply to termination for non-appropriation of funds.

[Termination by Supplier will not be considered.]

#### **D. Transition of Services**

Prior to or upon expiration or termination of this Contract and at the request of VITA, Supplier shall provide all assistance as VITA or an Authorized User may reasonably require to transition Product-related Services to any other supplier with whom VITA or such Authorized User contracts for provision of Product-related services. This obligation may extend beyond expiration or termination of the Contract for a period not to exceed six (6) months. In the event of a termination for breach and/or default of Supplier or a termination due to Supplier's status as a party excluded from Federal Procurement and Non-procurement Programs, Supplier shall provide such assistance at no charge or fee to VITA or any Authorized User; otherwise, Supplier shall provide such assistance at a reasonable hourly rate or a charge agreed upon by Supplier and VITA or an Authorized User.

### **4. PURCHASE, DELIVERY, INSTALLATION AND ACCEPTANCE**

#### **A. Orders**

Notwithstanding all Authorized User's rights to license, rent, or purchase Supplier's products or services under this Contract, an Authorized User is under no obligation to license, rent, or purchase from Supplier any of Supplier's products or services. This Contract is optional use and non-exclusive and all Authorized Users may, at their sole discretion, purchase, rent, license or otherwise receive benefits from third party suppliers of products and services similar to, or in competition with, the products and services provided by Supplier.

Supplier is required to accept any order placed by an Authorized User through the eVA electronic procurement website portal (<http://www.eva.state.va.us>). eVA is the Commonwealth of Virginia's e-procurement system. State agencies, as defined in §2.2-2006 of the Code of Virginia, shall order through eVA. All other Authorized Users are encouraged to order through eVA, but may order through the following means:

- i). Purchase Order (PO): An official PO form issued by an Authorized User.
- ii). Any other order/payment charge or credit card process, such as AMEX, MASTERCARD, or VISA under contract for use by an Authorized User.

This ordering authority is limited to issuing orders for the Products and Services available under this Contract. Under no circumstances shall any Authorized User have the authority to modify this Contract. An order from an Authorized User may contain additional terms and conditions; however, to the extent that the terms and conditions of the Authorized User's order are inconsistent with the terms and conditions of this Contract, the terms of this Contract shall supersede.

Notwithstanding the foregoing, Supplier shall not accept any order from an Authorized User if such order is to be funded, in whole or in part, by federal funds and if, at the time the order is placed, Supplier is not eligible to be the recipient of federal funds as may be noted on any of the Lists of Parties Excluded from Federal Procurement and Non-procurement Programs.

ALL CONTRACTUAL OBLIGATIONS UNDER THIS CONTRACT IN CONNECTION WITH AN ORDER PLACED BY ANY AUTHORIZED USER ARE THE SOLE OBLIGATION OF SUCH AUTHORIZED USER AND NOT THE RESPONSIBILITY OF VITA UNLESS SUCH AUTHORIZED USER IS VITA.

#### **B. Connectivity Site Survey**

Prior to issuing an order, an Authorized User may request Supplier's assistance in conducting a connectivity site survey to ensure proper selection of all accessories required for installation and utilization of the connectivity.

A survey will address the following categories:

- i). Network type
- ii). Network protocols
- iii). Network cabling
- iv). Network operating systems

- v). Memory
- vi). Client operating systems
- vii). Software applications that will be used for printing to the connected Product
- viii). Mainframe printing
- ix). Scanning
- x). Faxing

**C. Supplier Quote and Request for Quote**

Supplier shall, upon request of an Authorized User, provide a quote based on such Authorized User's specific Product and Service requirements. Such quote should include (a) a detailed description of each item proposed, at the Exhibit C line item level, (b) the quantity of each such item, (c) the contract price, and (d) an extended price. Authorized User may request quotes for both purchase and rental of Product. Any purchase or rental from Supplier resulting from such quote shall be subject to the terms and conditions specified and outlined in this Contract and any subsequent modifications. The Authorized User may request additional terms and conditions subject to mutual agreement of Supplier. To the extent that any terms and conditions of the Authorized User are inconsistent with the terms and conditions of this Contract, the terms and conditions of this Contract shall supersede.

Should an Authorized User determine that a competitive process is required to ensure it receives the best value, such Authorized User may, at its sole discretion, on a case-by-case basis and upon approval by VITA, use a Request for Quote (RFQ) process to obtain products and services identical or similar to those provided by Supplier pursuant to this Contract. The RFQ process is typically used when an Authorized User requires a complete solution that may be fulfilled by Products and Services herein, but whose complexity or size may result in economies that could not be passed on to the Authorized User within the confines of the established contract catalog discount pricing. When an RFQ is used, the project timing and requirements will be clearly outlined in the RFQ document. In some situations, the Authorized User may not identify the exact specifications required. If that is the case, the RFQ respondents will be given the opportunity to identify and propose their recommended specifications.

In cases where the RFQ process is invoked, the Authorized User will issue an RFQ describing its requirements to potential suppliers, and suppliers will provide, within the timeframe specified in the RFQ, a detailed quote. Any quote submitted to the Authorized User as a result of this process shall include (a) a detailed description of each item proposed, at the Exhibit C line item level, (b) the quantity of each such item, (c) the contract price, (d) any additional percentage discount offered, and (e) an extended/total price. Authorized User may request quotes for both purchase and rental of Product. Unless otherwise agreed by Supplier, such quote(s) shall apply only to the Authorized User issuing the RFQ and Supplier shall not be obligated to offer the same price(s) to any other Authorized User.

Generally, the Authorized User will select the supplier offering the lowest total cost proposal. However, non-price factors may be included in the evaluation criteria for a given RFQ. Any purchase or rental from Supplier that is a result of the RFQ process shall be subject to the terms and conditions specified and outlined in this Contract and any subsequent modifications. Additional terms and conditions may be requested or mandated within the RFQ document. To the extent that any terms and conditions of the Authorized User are inconsistent with the terms and conditions of this Contract, the terms and conditions of this Contract shall supersede.

**D. Trial Period**

At the Authorized User's request, Supplier shall provide Authorized User a unit of Product for a thirty (30) day trial period. If a unit of Product is offered for a trial period the Authorized User shall issue an order for the monthly rental rate of that unit of Product and state that such order is for a thirty (30) day trial. The trial period shall start when the Supplier has completed installation and has made the unit of Product ready for normal use. If during such trial period the unit is deemed to be unacceptable by the Authorized User, the Authorized User may cancel the order and Supplier shall remove such unit at no cost to such Authorized User.

Following the trial period, Authorized User may, at its option, continue or discontinue use of Supplier's Product. Should Authorized User elect to purchase or rent Supplier's Product, Authorized User shall issue an order for purchase or rental of the Product, and Supplier shall credit the trial period price charged to the Authorized User toward the purchase or rental of the unit. If the trial unit provided to such Authorized User was a new unit, the Authorized User shall retain such unit at its location; however, if the trial unit provided to such Authorized User was a demonstration unit (i.e., one which had made any number of copies prior to installation), Supplier shall remove the demonstration unit and deliver a new unit upon receipt of Authorized User's order for purchase or rental of Supplier's Product. Should Authorized User elect to discontinue use of Supplier's Product, Authorized User shall so notify Supplier and Supplier shall de-install and remove the trial unit from the Authorized User's premises at no additional cost to the Authorized User.

#### **E. Delivery Procedure**

Supplier shall deliver all Product F.O.B. destination, inside delivery, with such destination being the "ship to" address specified in the applicable order. Supplier shall bear all risk of loss of or damage to the Product until Receipt for self-installed items, and upon Acceptance by the Authorized User for items requiring installation once installation is complete. Supplier shall arrange and pay for all transportation and insurance sufficient to fully protect the Product while in transit. Each shipment shall include a packing slip indicating this Contract number, the Authorized User's order number, the part number, a description of the Product shipped and the quantity shipped. Each package in any shipment shall be numbered, shall have stenciled on one end and one side a description of the quantity of Product contained therein by part number and description, and shall conspicuously display the number of the package in that shipment which contains the packing slip. If required by the Authorized User, Supplier shall bar code all packages shipped. If any loss to, or damage of, the Product occurs prior to Acceptance by the Authorized User, Supplier shall immediately provide a replacement item.

Upon delivery of hardware Product, Supplier shall conduct a demonstration of such Product in the presence of the Authorized User's representative to verify that such Product is fully operational and is in compliance with the Product manufacturer's specifications. Any deficiencies shall be promptly and permanently corrected prior to final Acceptance.

Title to consumable supplies shall pass upon delivery, and title to all purchased Product, excluding System Software, shall pass upon Acceptance.

For each Authorized User, Supplier shall make available all appropriate and/or related user documentation at the time of delivery of the first unit of each different Product type. Hardware Product delivered without the appropriate and required documentation shall be considered "shipped short" until the applicable documentation has been received.

#### **F. Price and Price Protection**

As consideration for the Products purchased hereunder, the Authorized User shall pay Supplier the Supplier's list price (as posted on Supplier's publicly available website) less the percentage discount(s) set forth in Exhibit C. Supplier shall make available for purchase whole units of Product and repairable major components thereof. The percentage discount(s), or greater discount(s), shall be applicable throughout the term of this Contract, including any extensions thereto. Additionally, Exhibit C sets forth the purchase price and for Maintenance Services for all Product.

Monthly rental prices for Product are identified in Exhibit C. Product rental and Maintenance prices shall not increase for a period of not less than one (1) year from the Effective Date of this Contract. Thereafter, any increase in price shall be limited to once per twelve (12) month period and shall not exceed the lesser of three percent (3%) or the annual increase in the Consumer Price Index for All Urban Consumers (CPI-U), U.S. City Average, for the expenditure category "Information technology, hardware and services" as published by the Bureau of Labor Statistics of the Department of Labor (<http://www.bls.gov/>), for the effective date of the increase compared with the same index one (1) year prior. Supplier shall demonstrate the justification for any requested price increase. Any change in price shall be submitted to all Authorized Users in writing in accordance with the above and shall not become effective for sixty (60) days thereafter. Semi-

annually, VITA may check the prices for Product rental and Maintenance against the CPI-U, as defined above, for the expenditure category "Information technology, hardware and services", and the prices in Exhibit C shall be appropriately reduced to ensure continued price competitiveness, if required. Supplier agrees to offer increased Product discounts and Service and rental price reductions to ensure compliance with the Competitive Pricing Section.

#### **G. Invoice Procedure**

Supplier shall remit each invoice to the "bill-to" address provided with the order promptly after all purchased Products or Services have been accepted. Payment for rented product shall be monthly in arrears and payment for Maintenance Services shall be annually in arrears unless otherwise stated herein. No invoice shall include any costs other than those identified in the executed order, which costs shall be in accordance with Exhibit C. Without limiting the foregoing, all shipping costs are the Supplier's responsibility except to the extent such charges are identified in Exhibit C, or as noted in any executed order referencing this Contract. Invoices issued by the Supplier shall identify at a minimum:

- i). Product or Service type and description
- ii). Product serial number, if any
- iii). Quantity, charge and extended pricing for each Product and/or Service item
- iv). Applicable order date
- v). Ship date
- vi). Ship-to location contact name
- vii). This Contract number and the applicable order number
- viii). Supplier's Federal Employer Identification Number (FEIN).

Supplier shall submit separate invoices for the Maintenance charges (detailing the Product types and quantities by Authorized User site), for billable additional services, and for any billable written instrument. Additional invoices may be required by Authorized User from time to time detailing charges for Product at affiliate locations by corporate department.

Any terms included on Supplier's invoice shall have no force or effect and will in no way bind VITA or any Authorized User.

#### **H. Payment Terms**

All payment obligations under this Contract are subject to the availability of legislative appropriations at the federal, state, or local level, for this purpose. In the event of non-appropriation of funds, irrespective of the source of funds, for the items under this Contract, VITA may, without penalty, terminate this Contract, in whole or in part, or any order, in whole or in part, or an Authorized User may, without penalty, terminate an order, in whole or in part, for those products or services for which funds have not been appropriated. Written notice will be provided to the Supplier as soon as possible after legislative action is completed. Termination for lack of appropriations shall not affect any perpetual license granted pursuant to this Contract, provided all fees for such license have been paid.

Supplier is responsible for the accuracy of its billing information. Supplier agrees not to issue invoices hereunder until Product has been delivered charges for Product or Services accepted more than ninety (90) days prior to receipt of a valid invoice may not be paid. Should Supplier repeatedly over bill Authorized User, Authorized User may assess a one percent (1%) charge for the amount over billed for each month that such over billing continues.

Product shipped without the applicable documentation may not meet Acceptance criteria, and payment shall not be due until after the required documentation is provided.

If there are any disputed items, an Authorized User shall pay all undisputed charges and promptly notify Supplier in writing of any disputed amount. Supplier shall thereupon review its records, and, if it does not concur with the Authorized User, provide the Authorized User with documentation to support the charge. If such charges remain in dispute, such dispute shall be resolved in accordance with the Dispute Resolution section of this Contract. In the absence of the Supplier's

written evidence identifying the merit of the disputed amounts, Authorized User may not pay the disputed amounts and may consider the matter concerning the specific identified amounts closed. All payment terms are net 30 days after Acceptance.

**I. Product Trade-in and Upgrade**

An Authorized User and Supplier may negotiate trade-ins at any time during the contract term.

**J. Purchase of Rented Product**

All Rentals may be converted to Outright Purchase by the Payment of the contract Outright Purchase price of the unit less two (2) percent for each monthly payment made.

Example: The customer has made eight (8) payments of a thirty-six (36) month rental and wishes to convert to an outright purchase for an AR-257. The contract purchase price for the AR-257 is \$2,603.58. The customer may convert the rental to an outright purchase with a payment of \$2,187.01.

**K. Product Installation**

Unless otherwise agreed, Supplier shall provide the initial installation of all Product at no additional charge. Each license granted under this Contract authorizes the Commonwealth or such Authorized User and any agent of or third party service provider under contract with the Commonwealth or such Authorized User to use Supplier-licensed programs in machine readable form on any system without limitation. It is expressly understood that “perpetual” license rights shall commence upon delivery of the System Software to the Authorized User and shall exist in perpetuity unless otherwise terminated in accordance with the applicable provisions of the Contract. The System Software is the property of Supplier, Software Publisher, or licensors of Supplier or Software Publisher, and no title or ownership of the System Software or any of its parts, including documentation, is transferred to the Commonwealth or the Authorized User.

**B. Limitations on Copying and Disclosure**

The Commonwealth, an Authorized User, or agent of or any third party service provider under contract with the Commonwealth or such Authorized User may make a reasonable number of backup, archival, and disaster recovery copies of the System Software. Any copies of the software or documentation made by the Commonwealth or an Authorized User pursuant to this Contract shall bear all copyright, trademark and other proprietary notices included therein by Supplier, Software Publisher, and their licensors and, except as expressly authorized, neither the Commonwealth nor the Authorized User shall distribute same to any third-party without Supplier's prior written consent. The Commonwealth may distribute the System Software and documentation if such distribution is incidental to transfer of Product to which it has taken title. Neither the Commonwealth nor any Authorized User may resell the System Software except if such resale is incidental to the resale of Product to which the Commonwealth or such Authorized User has taken title.

**C. Business Continuity and Recovery**

In the event that all of an Authorized User's copies of the System Software, including all backup copies, are destroyed, irreparably damaged or otherwise lost due to fire, explosion, sabotage, flood or other natural disaster not occasioned by the fault of such Authorized User, Supplier shall provide to the Authorized User, at no additional cost, a replacement copy of the System Software and documentation; provided however, that nothing contained in this Section shall obligate Supplier to replace or assist in the recovery of data lost concurrent with the loss of the System Software.

**D. Authorized User Compliance**

Compliance with the terms and conditions of any license granted pursuant to this Contract is solely the responsibility of the Authorized User which acquired such license and not the responsibility of VITA, unless VITA acquired such license on its own behalf.

**E. No Subsequent, Unilateral Modification of Terms by Supplier (“Shrink Wrap”)**

Notwithstanding any other provision or other unilateral license terms which may be issued by Supplier after the Effective Date of this Contract, and irrespective of whether any such provisions have been proposed prior to or after the issuance of an order for System Software licensed under this Contract, or the fact that such other agreement may be affixed to or accompany System

Software upon delivery ("shrink wrap"), the terms and conditions set forth herein shall supersede and govern licensing and delivery of all products and services hereunder.

## **10. COMPETITIVE PRICING**

Supplier warrants and agrees that each of the charges, economic or product terms or warranties granted to the Commonwealth pursuant to this Contract are comparable to or better than the equivalent charge, economic or product term or warranty offered to any commercial or government customer of Supplier. If Supplier enters into any arrangement with another customer of Supplier or with an Authorized User to provide Product or Services under more favorable prices, as the prices may be indicated on Supplier's current U.S. and International price list or comparable document, then this Contract shall be deemed amended as of the date of such other arrangements to incorporate those more favorable prices, and Supplier shall immediately notify VITA of such change.

## **11. CONFIDENTIALITY**

### **A. Treatment and Protection**

Each Party shall (i) hold in strict confidence all Confidential Information of any other Party, (ii) use the Confidential Information solely to perform or to exercise its rights under this Contract, and (iii) not transfer, display, convey or otherwise disclose or make available all or any part of such Confidential Information to any third-party. However, an Authorized User may disclose the Confidential Information as delivered by Supplier to subcontractors, contractors or agents of such Authorized User that are bound by non-disclosure contracts with such Authorized User. Each Party shall take the same measures to protect against the disclosure or use of the Confidential Information as it takes to protect its own proprietary or confidential information (but in no event shall such measures be less than reasonable care).

### **B. Exclusions**

The term "Confidential Information" shall not include information that is:

- i). in the public domain through no fault of the receiving Party or of any other person or entity that is similarly contractually or otherwise obligated;
- ii). obtained independently from a third-party without an obligation of confidentiality to the disclosing Party and without breach of this Contract;
- iii). developed independently by the receiving Party without reference to the Confidential Information of the other Party; or
- iv). required to be disclosed under The Virginia Freedom of Information Act (§§2.2-3700 et seq. of the Code of Virginia) or similar laws or pursuant to a court order.

### **C. Return or Destruction**

Authorized User, Supplier shall (i) at its own expense, (a) promptly return to the disclosing Authorized User all tangible Confidential Information (and all copies thereof except the record required by law) of the disclosing Authorized User, or (b) upon written request from the disclosing Authorized User, destroy such Confidential Information and provide the disclosing Authorized User with written certification of such destruction, and (ii) cease all further use of the Authorized User's Confidential Information, whether in tangible or intangible form.

VITA or the Authorized User shall retain and dispose of Supplier's Confidential Information in accordance with the Commonwealth of Virginia's records retention policies or, if Authorized User is not subject to such policies, in accordance with such Authorized User's own records retention policies.

## **12. INDEMNIFICATION AND LIABILITY**

### **A. Indemnification**

Supplier agrees to indemnify, defend and hold harmless the Commonwealth, VITA, any Authorized User, their officers, directors, agents and employees (collectively, "Commonwealth's Indemnified Parties") from and against any and all third party claims, demands, proceedings, suits

and actions, including any related liabilities, obligations, losses, damages, assessments, fines, penalties (whether criminal or civil), judgments, settlements, expenses (including attorneys' and accountants' fees and disbursements) and costs (each, a "Claim" and collectively, "Claims"), incurred by, borne by or asserted against any of Commonwealth's Indemnified Parties to the extent such Claims in any way relate to, arise out of or result from: (i) any intentional or willful misconduct or negligence of any employee, agent, or subcontractor of Supplier, (ii) any act or omission of any employee, agent, or subcontractor of Supplier, (iii) breach of any representation, warranty or covenant of Supplier contained herein, (iv) any defect in the Product or the Services, or (v) any actual or alleged infringement or misappropriation of any third party's intellectual property rights by any of the Product or Services. Selection and approval of counsel and approval of any settlement shall be accomplished in accordance with all applicable laws, rules and regulations. For state agencies the applicable laws include §§ 2.2-510 and 2.2-514 of the Code of Virginia. In all cases the selection and approval of counsel and approval of any settlement shall be satisfactory to VITA or the Authorized User against whom the Claim has been asserted.

In the event that a Claim is commenced against any of Commonwealth's Indemnified Parties alleging that use of the Product or any Product component or that the provision of Services under this Contract infringes any third party's intellectual property rights and Supplier is of the opinion that the allegations in such Claim in whole or in part are not covered by this indemnification provision, Supplier shall immediately notify VITA and the affected Authorized User(s) in writing, via certified mail, specifying to what extent Supplier believes it is obligated to defend and indemnify under the terms and conditions of this Contract. Supplier shall in such event protect the interests of the Commonwealth's Indemnified Parties and secure a continuance to permit VITA and the affected Authorized User(s) to appear and defend their interests in cooperation with Supplier as is appropriate, including any jurisdictional defenses VITA or the affected Authorized User(s) may have.

In the event of a Claim pursuant to any actual or alleged infringement or misappropriation of any third party's intellectual property rights by any of the Product or Services, and in addition to all other obligations of Supplier in this Section, Supplier shall at its expense, either (a) procure for all Authorized Users the right to continue use of such infringing Product or Services, or any component thereof; or (b) replace or modify such infringing Product or Services, or any component thereof, with non-infringing products or services satisfactory to VITA. And in addition, Supplier shall provide any Authorized User with a comparable temporary replacement Product or reimburse VITA or any Authorized User for the reasonable costs incurred by VITA or such Authorized User in obtaining an alternative product in the event such Authorized User cannot use the affected Product. If Supplier cannot accomplish any of the foregoing within a reasonable time and at commercially reasonable rates, then Supplier shall accept the return of the infringing component of the Product or Services, along with any other components of any products rendered unusable by any Authorized User as a result of the infringing component, and refund the price paid to Supplier for such components.

## **B. Liability**

Supplier shall have unlimited liability with respect to (i) any intentional or willful misconduct or negligence of any employee, agent, or subcontractor of Supplier, (ii) any act or omission of any employee, agent, or subcontractor of Supplier, (iii) claims for bodily injury, including death, and real and tangible property damage, (iv) Supplier's indemnification obligations, (v) Supplier's confidentiality obligations, and (vi) Supplier's security compliance obligations. Supplier agrees that it is fully responsible for acts and omissions of its employees, agents, and subcontractors, including their gross negligence or willful misconduct.

**FOR ALL OTHER CONTRACTUAL CLAIMS, IN NO EVENT WILL ANY PARTY BE LIABLE TO ANY OTHER PARTY FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, INCLUDING (WITHOUT LIMITATION) LOSS OF PROFIT, INCOME OR SAVINGS, EVEN IF ADVISED OF THE POSSIBILITY THEREOF, EXCEPT WHEN SUCH DAMAGES ARE CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE PARTY, ITS EMPLOYEES, AGENTS OR SUBCONTRACTORS.**

### **13. SECURITY COMPLIANCE**

Supplier agrees to comply with all provisions of the then-current Commonwealth of Virginia security procedures, published by the Virginia Information Technologies Agency (VITA) and which may be found at (<http://www.vita.virginia.gov/docs/psg.cfm>) or a successor URL(s), as are pertinent to Supplier's operation. Supplier further agrees to comply with all provisions of the relevant Authorized User's then-current security procedures as are pertinent to Supplier's operation and which have been supplied to Supplier by such Authorized User. Supplier shall also comply with all applicable federal, state and local laws and regulations. For any individual Authorized User location, security procedures may include but not be limited to: background checks, records verification, photographing, and fingerprinting of Supplier's employees or agents. Supplier may, at any time, be required to execute and complete, for each individual Supplier employee or agent, additional forms which may include non-disclosure agreements to be signed by Supplier's employees or agents acknowledging that all Authorized User information with which such employees and agents come into contact while at the Authorized User site is confidential and proprietary. Any unauthorized release of proprietary information by the Supplier or an employee or agent of Supplier shall constitute a breach of this Contract.

Supplier shall indemnify, defend, and hold the Commonwealth, VITA, the Authorized User, their officers, directors, employees and agents harmless from and against any and all fines, penalties (whether criminal or civil), judgments, damages and assessments, including reasonable expenses suffered by, accrued against, or charged to or recoverable from the Commonwealth, VITA, the Authorized User, their officers, directors, agents or employees, on account of the failure of Supplier to perform its obligations pursuant to this Section.

### **14. BANKRUPTCY**

If Supplier becomes insolvent, takes any step leading to its cessation as a going concern, or ceases business operations for any reason and other than assignment as allowed by this Contract, then VITA may immediately terminate this Contract, and an Authorized User may terminate an order, on notice to Supplier unless Supplier immediately gives VITA or such Authorized User adequate assurance of the future performance of this Contract or the applicable order. If bankruptcy proceedings are commenced with respect to Supplier, and if this Contract has not otherwise terminated, then VITA may suspend all further performance of this Contract until Supplier assumes or rejects this Contract pursuant to Section 365 of the Bankruptcy Code or any similar or successor provision, it being agreed by VITA and Supplier that this is an executory contract. Any such suspension of further performance by VITA pending Supplier's assumption or rejection shall not be a breach of this Contract, and shall not affect the right of VITA or any Authorized User to pursue or enforce any of its rights under this Contract or otherwise.

### **15. GENERAL PROVISIONS**

#### **A. Relationship Between VITA and Authorized User and Supplier**

Supplier has no authority to contract for VITA or any Authorized User or in any way to bind or to commit VITA or any Authorized User to any agreement of any kind or to assume any liabilities of any nature in the name of or on behalf of VITA or any Authorized User. Under no circumstances shall Supplier, or any of its employees, hold itself out as or be considered an agent or an employee of VITA or any Authorized User, and neither VITA nor any Authorized User shall have any duty to provide or maintain any insurance or other employee benefits on behalf of Supplier or its employees. Supplier represents and warrants that it is an independent contractor for purposes of federal, state and local employment taxes and agrees that neither VITA nor any Authorized User is responsible to collect or withhold any federal, state or local employment taxes, including, but not limited to, income tax withholding and social security contributions, for Supplier. Any and all taxes, interest or penalties, including, but not limited to, any federal, state or local withholding or employment taxes, imposed, assessed or levied as a result of this Contract shall be paid or withheld by Supplier or, if assessed against and paid by VITA or any Authorized User, shall be reimbursed by Supplier upon demand by VITA or such Authorized User.

**C. Compliance with the Federal Lobbying Act**

Supplier shall not, in connection with this Contract, engage in any activity prohibited by 31 USC 1352 (entitled "Limitation on use of appropriated funds to influence certain Federal Contracting and financial transactions") or by the regulations issued from time to time thereunder (together, the "Lobbying Act"), and shall promptly perform all obligations mandated by the Lobbying Act in connection with this Contract, including, without limitation, obtaining and delivering to the Commonwealth all necessary certifications and disclosures.

Supplier is hereby advised that a significant percentage of the funds used to pay Supplier's invoices under this Contract may be federal funds. Under no circumstances shall any provision of this Contract be construed as requiring or requesting the Supplier to influence or attempt to influence any person identified in 31 USC 1352(a)(1) in any matter.

Supplier's signed certification of compliance with the foregoing is incorporated as Exhibit F hereto.

**D. Governing Law**

This Contract shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia without regard to that body of law controlling choice of law. Any and all litigation shall be brought in the circuit courts of the Commonwealth of Virginia. The English language version of this Contract prevails when interpreting this Contract. The United Nations Convention on Contracts for the International Sale of Goods and all other laws and international treaties or conventions relating to the sale of goods are expressly disclaimed. UCITA shall apply to this Contract only to the extent required by §59.1-501.15 of the Code of Virginia.

**E. Dispute Resolution**

In accordance with §2.2-4363 of the Code of Virginia, Contractual claims, whether for money or other relief, shall be submitted in writing to the public body from whom the relief is sought no later than sixty (60) days after final payment; however, written notice of the Supplier's intention to file such claim must be given to such public body at the time of the occurrence or beginning of the work upon which the claim is based. Pendency of claims shall not delay payment of amounts agreed due in the final payment. The relevant public body shall render a final decision in writing within thirty (30) days after its receipt of the Supplier's written claim.

The Supplier may not invoke any available administrative procedure under §2.2-4365 of the Code of Virginia nor institute legal action prior to receipt of the decision of the relevant public body on the claim, unless that public body fails to render its decision within thirty (30) days. The decision of the relevant public body shall be final and conclusive unless the Supplier, within six (6) months of the date of the final decision on the claim, invokes appropriate action under §2.2-4364, Code of Virginia or the administrative procedure authorized by §2.2-4365, Code of Virginia.

Upon request from the public body from whom the relief is sought, Supplier agrees to submit any and all contractual disputes arising from this Contract to such public body's alternative dispute resolution (ADR) procedures. Supplier may invoke such public body's ADR procedures, if any, at any time and concurrently with any other statutory remedies prescribed by the Code of Virginia.

In the event of any breach by a public body, Supplier's remedies shall be limited to claims for damages and Prompt Payment Act interest and, if available and warranted, equitable relief, all

such claims to be processed pursuant to this Section. In no event shall Supplier's remedies include the right to terminate any license or support services hereunder.

**F. Advertising and Use of Proprietary Marks**

Supplier shall not use the name of VITA or any Authorized User or refer to VITA or any Authorized User, directly or indirectly, in any press release or formal advertisement without receiving prior written consent of VITA or such Authorized User. In no event may Supplier use a proprietary mark of VITA or an Authorized User without receiving the prior written consent of VITA or the Authorized User.

Supplier may not assign, subcontract, delegate or otherwise convey this Contract or any of its rights and obligations hereunder, to any entity without the prior written consent of VITA, and any such attempted assignment or subcontracting without consent shall be void. VITA may assign this Contract to any entity, so long as the assignee agrees in writing to be bound by the all the terms and conditions of this Contract.

If any law limits the right of VITA or Supplier to prohibit assignment or nonconsensual assignments, the effective date of the assignment shall be thirty (30) days after the Supplier gives VITA prompt written notice of the assignment, signed by authorized representatives of both the Supplier and the assignee. Any payments made prior to receipt of such notification shall not be covered by this assignment.

**M. Force Majeure**

No Party shall be responsible for failure to meet its obligations under this Contract if the failure arises from causes beyond the control and without the fault or negligence of the non-performing Party. If any performance date under this Contract is postponed or extended pursuant to this section for longer than thirty (30) calendar days, VITA, by written notice given during the postponement or extension, may terminate Supplier's right to render further performance after the effective date of termination without liability for that termination, and in addition an Authorized User may terminate any order affected by such postponement or delay.

## SUPPLIER CONTRACT ADDENDUM

The Virginia Information Technologies Agency (hereinafter referred to as "VITA"), pursuant to §2.2-2012 of the Code of Virginia and on behalf of the Commonwealth of Virginia, and Sharp Electronics ("Supplier"), a business incorporated in \_\_\_\_\_, F.E.I.N. \_\_\_\_\_, having its principal place of business at \_\_\_\_\_, are this day entering into a contract and, for their mutual convenience, the parties are using the standard form contract ("\_\_\_\_\_") provided by Supplier. This addendum, duly executed by the parties, is attached to and hereby made a part of Supplier's standard form contract and together shall govern the use of any and all \_\_\_\_\_ (name of) \_\_\_\_\_ Software licensed by the Commonwealth under this agreement whether or not specifically referenced in the order document.

Supplier represents and warrants that it is a corporation authorized to do in Virginia the business provided for in this contract. If Supplier is not a U.S.-based entity, Supplier maintains a registered agent and a certification of authority to do business in Virginia.

This contract is executed by VITA on behalf of all public bodies, including VITA, as defined by §2.2-4301 and referenced by §2.2-4304 of the Code of Virginia, and hereinafter referred to as "Authorized Users." If Authorized User is a state agency, board, commission, or other quasi-political entity of the Commonwealth of Virginia or other body referenced in Title 2.2 of the Code of Virginia, any license granted by Supplier shall be held by the Commonwealth. If Authorized User is a locality, municipality, school, school system, college, university, local board, local commission, or local quasi-political entity, such license shall be held by that public body.

As used herein, the term "contract" shall mean the Supplier's standard form contract and any and all exhibits and attachments thereto. The term(s) "Customer," "You," and/or "you," as used in the contract, shall mean, as applicable, VITA, the Commonwealth, any Authorized User, or any of their officers, directors, agents or employees.

Supplier's standard form contract is, with the exceptions noted herein, acceptable to VITA. Nonetheless, because certain standard clauses that may appear in, or be incorporated by reference into, Supplier's standard form contract cannot be accepted by VITA, and in consideration of the convenience of using that form, and this form, without the necessity of specifically negotiating a separate contract document, the parties hereto specifically agree that, notwithstanding any provisions appearing in the attached Supplier's standard form contract, none of the following shall have any effect or be enforceable against VITA, the Commonwealth, any Authorized User, or any of their officers, directors, employees or agents:

- i). Requiring or stating that the terms of the Supplier's standard form contract shall prevail over the terms of this addendum in the event of conflict;
- ii). Requiring the application of the law of any state other than the Commonwealth of Virginia in interpreting or enforcing the contract or requiring or permitting that any dispute under the contract be resolved in any court other than a circuit court of the Commonwealth of Virginia;
- iii). Renewing or extending the contract beyond the initial term or automatically continuing the contract period from term to term;
- iv). Requiring that the contract be "accepted" or endorsed by the home office or by any other officer subsequent to execution by an official of VITA before the contract is considered in effect;
- v). Delaying the acceptance of the contract or its effective date beyond the date of execution;
- vi). Requiring any total or partial compensation or payment for lost profit or liquidated damages by VITA, the Commonwealth, any Authorized User, or their officers, directors, employees or agents if the contract is terminated before its ordinary period;
- vii). Permitting termination by Supplier of the contract or the licenses granted thereunder, or permitting suspension of services by Supplier, except pursuant to an order from a court of competent jurisdiction;

- viii). Defining "perpetual" license rights to have any meaning other than license rights that exist in perpetuity unless otherwise terminated in accordance with the applicable provisions of the contract;
- ix). Permitting unilateral modification of the contract by Supplier;
- x). Permitting modification or replacement of the contract pursuant to any new release, update or upgrade of Software or subsequent renewal of maintenance. If Supplier provides to any Authorized User an update or upgrade subject to additional payment, such Authorized User shall have the right to reject such update or upgrade;
- xi). Requiring purchase of a new release, update, or upgrade of Software or subsequent renewal of maintenance in order for the Commonwealth, VITA, or any Authorized User to receive or maintain the benefits of Supplier's indemnification of the Commonwealth, VITA, or such Authorized User against any claims of infringement on any third-party intellectual property rights;
- xii). Imposing any interest charge(s) contrary to that specified by §2.2-4347 et seq. of the Code of Virginia;
- xiii). Requiring the Commonwealth, VITA, or any Authorized User to maintain any type of insurance either for the benefit of the Commonwealth, VITA, or such Authorized User or for Supplier's benefit;
- xiv). Granting Supplier a security interest in property of the Commonwealth, any Authorized User, or any of their officers, directors, employees or agents;
- xv). Requiring the Commonwealth, VITA, any Authorized User, or any of their officers, directors, employees or agents to indemnify or to hold harmless Supplier for any act or omission;
- xvi). Establishing a presumption of severe or irreparable harm to Supplier by the actions or inactions of VITA or any Authorized User;
- xvii). Limiting or adding to the time period within which claims can be made or actions can be brought;
- xviii). Limiting selection and approval of counsel and approval of any settlement in any claim arising under the contract and in which the Commonwealth, VITA, any Authorized User, or any of their officers, directors, employees or agents is a named party;
- xix). Binding the Commonwealth, VITA, any Authorized User, or any of their officers, directors, employees or agents to any arbitration or to the decision of any arbitration board, commission, panel or other entity;
- xx). Obligating the Commonwealth, VITA, any Authorized User, or any of their officers, directors, employees or agents to pay costs of collection or attorney's fees;
- xxi). Limiting the liability of Supplier for property damage or personal injury;
- xxii). Requiring any dispute resolution procedure(s) other than those in accordance with §2.2-4363 et seq. of the Code of Virginia;
- xxiii). Prohibiting the Commonwealth, VITA, or any Authorized User from transferring or assigning to any entity the contract or any license to Software pursuant to the contract;
- xxiv). Permitting Supplier to assign, subcontract, delegate or otherwise convey the contract, or any of its rights and obligations thereunder, to any entity without the prior written consent of VITA except as follows: Supplier may assign all or any of its rights and obligations to a third party as a result of a merger or acquisition or sale of all or substantially all of its assets to such third party provided assignee agrees in writing to be bound by the terms and conditions set forth in the contract and provided such third party is a U.S.-based entity or maintains a registered agent and a certification of authority to do business in Virginia, or to an affiliate of Supplier, provided Supplier remains liable for affiliate's compliance with the terms and conditions set forth in this Contract;

- xxv). Granting Supplier or an agent of Supplier the right to audit or examine the books, records, or accounts of VITA or any Authorized User;
- xxvi). Permitting Supplier to access any Commonwealth or Authorized User records or data, except pursuant to court order;
- xxvii). Permitting Supplier to use any information provided by the Commonwealth or any Authorized User except for Supplier's own internal administrative purposes;
- xxviii). Requiring the Commonwealth, VITA, or any Authorized User to limit its rights or waive its remedies at law or in equity, including the right to a trial by jury; and
- xxix). Bestowing any right or incurring any obligation that is beyond the duly granted authority of the undersigned representative of VITA to bestow or incur on behalf of the Commonwealth of Virginia.

The parties further agree as follows:
